

Employment Opportunity at the STAR School

Middle School Math Teacher

The STAR School is a dynamic, award-winning Pre-K through 8th Grade Public Charter School that serves a primarily Native American population. STAR School is the first completely off-grid, solar and wind powered charter school in the country.

STAR is currently seeking an experienced Math Teacher to serve in our Middle School (grades 6 - 8) beginning July, 2019.

Our ideal candidate will be eager to embrace the place-based and STEM focused ideals of the school while incorporating unique programming that reflects the culturally responsive values and mission of the STAR School.

Competitive candidates will be self-directed, flexible, committed to student-centered teaching and will have experience with differentiated instruction, using technology in the classroom and collaborative learning. We desire someone who is patient and engaging, and who possesses strong communication and interpersonal skills with both children and adults.

Qualifications:

- Bachelor's Degree
- Arizona State Teaching License **or** pass the AEPA tests
- Certified to teach Math at the Middle School Level -or- 24 Credit Hours in Math
- Previous experience teaching Middle Math
- Desired: Bilingual English/Navajo; Familiarity with Navajo Culture
- Current DPS Fingerprint Clearance Card will be required upon hire.

BENEFITS: Competitive Salary; Paid time off; Medical/Dental/Vision Insurance; Healthcare spending/reimbursement accounts; Retirement benefits; Education assistance/tuition reimbursement; Workplace perks such as flexible schedules, free meals, etc.; Other benefits

TO APPLY: Send a Letter of Interest and Resume to the STAR School: hr@starschool.org. **
Please include the position to which you are applying in the subject line.

**Qualified applicants will be contacted for an interview. Position is open until filled.
